Attorneys for Samantha Burke have been authorized to release the following statement:

"Despite the numerous requests from almost every major media outlet and tabloid magazine, Ms. Burke and her family will not be granting any interviews at this time. This remains a private matter between Jude Law and Samantha Burke. Samantha and her mother would like to be clear that comments attributed to Samantha's mother in media stories reported within the last twenty-four hours regarding Jude's contact with Samantha and his involvement were taken out of context. Samantha, her mom, and her family can affirm that Jude has been responsive and supportive throughout the relationship and pregnancy, and know that he will remain so as a father once Baby Sophia is born. Jude and Samantha remain committed to the health and wellbeing of this child, and appreciate your honoring her privacy during this special time."
